

I THINK THAT THE TELEPHONE CONSUMER PROTECTION ACT IS A GOOD IDEA.
I AM FED UP WITH TELEMARETERS CALLING MY HOME ALL HOURS OF THE DAY
AND NIGHT. THEY EVEN CALL ON SUNDAYS, OR WHEN YOUR TRYING TO SIT
DOWN WITH YOUR FAMILY FOR DINNER. I DO NOT HAVE TIME TO PACIFY
THESE PEOPLE, I HAVE CHILDREN AND DO NOT LIKE TO BE INTERRUPTED
WHEN I AM SPENDING TIME WITH THEM. FAMILIES DO NOT HAVE ENOUGH
TIME TOGETHER AS IT IS. NOW A DAYS LIFE CAN BE STRESSFUL ENOUGH
WITHOUT THESE PEOPLE CALLING YOU.
